JULY 2016

HONOR OUR MILITARY

Let us honor our military,
The men and women who serve.
Whose dedication to our country
Does not falter, halt or swerve.

Let us respect them for their courage.
They're ready to do what's right
To keep America safe,
So we can sleep better at night.

Let's support and defend our soldiers,
Whose hardships are brutal and cruel.
Whose discipline we can't imagine,
Who follow each other and rule.

Here is to those who chose to be warriors
And their helpers - good and true.
They are fighting for American values
They are fighting for me and you!!!

FROM THE PRESIDENT

Now that summer is in full swing, lots of activities are going on to make Cadgewith Farms a great place to live and be proud of. Every second Thursday, Dale Ouderkirk makes his amazing dinners so that we do not have to cook! Last month we had over 80 residents enjoy Dale's famous spaghetti and meatball dinner with garlic toast, tossed salad and a nice variety of deserts.

Our next outdoor Concert Series will be July 20th from 6 - 8 pm. That "Amazing Band" is returning and will be playing all your favorites. We are having our ice cream sundaes by popular demand. Please give generously to cover the costs of the music and goodies.

God has blessed us with great weather every year since we have held these concerts. We hope it continues.

Don't forget our board meetings on the first Thursday of every month. Please come and get involved. Keep your eye on the Bulletin Board in front of the Clubhouse for information on up-coming events or any changes.

God Bless!

NEIGHBORHOOD WATCH

HEAT KILLS!!!

Heat kills by pushing the human body beyond its limit! In extreme heat and high humidity, evaporation is slowed and the body must work extra hard to maintain a normal temperature.

A Heat Wave is an extended period of extreme heat and is often accompanied by high humidity. These conditions can be dangerous and even life-threatening for people who do not take the proper precautions. Please take care of yourself!!!

New members who have joined the Watch: Brent Newman ~~~
Jerry Vaughn ~~~~

The community and I welcome them to the Watch. As your coordinator, I thank each and every member of the Watch for their time and appreciate the wonderful job they do.

Phone Number correction: Jack Tingle ~~~

I would like to thank everyone who generously gave their time for the sale of hot dogs the day of the Garage sale. A wonderful group and it was a huge success.

A big thank you to Jim Van Camp for his contribution so we could buy Neighborhood Watch patches.

HAPPY BIRTHDAY AMERICA

On July 4, 1776, we claimed our independence from England and Democracy was born.. Each year on July 4, Americans celebrate that freedom and independence with barbeques, picnics and family gatherings. Through the internet, we are learning about and communicating with people of different nations, with different languages, races and religions. Hopefully bringing the world closer in understanding and knowledge of each other..

"We hold these truths to be self evident, that all men are created equal." ~~~ Thomas Jefferson
