

Sponsor A Family

Cadgewith Farms Management & Association has decided to adopted a family this holiday season rather than the toys for tots' program.

Our Family is consisting of: Mom, Dad, Daughter (8), son (7) who is special needs, and a son (4). In the office there is a tree in the lobby with gifts ideas to be purchased for each child. Please come pick one to purchase and drop off at the office un-wrapped before December 20th. We will also accept cash donations, if not all gifts are purchased we will use the money to purchase those left.

A holiday dinner will be delivered along with the gifts to the family December 22. There will be a sign up sheet for items needed.

Any donations would be great appreciated to help make this families holiday season one to remember.

Any questions please contact the office (517)371-1101.

Packages

It is the holiday season and packages will be starting to be delivered here. Delivery drivers will go to the front door and leave packages. If you notice one at your neighbors house and they haven't pick it up then please make sure that you are contacting them. Package left on front steps is a sign for thieves to think that no one is home.

Event Ideas

If anyone has any ideas for a new activity please contact me. We can put something in the newsletter to reach out to everyone to see how much interest we receive. Call 517-648-4188 or email lccdale1@yahoo.com. I would like to wish everyone a Merry Christmas and a Happy New Year.

Respectively,
Dale Ouderkirk

Food Bank

We are working to gather items for the food bank at Redeemer Church to collect items that they need. Some of the things that they are asking for are personal hygiene items like, tooth paste, body soap, shampoo, dish soap. Food items are canned soup, ready made meals. Any foods for kids to be able to make easily.

SNOW PLOW

If you have marked the ends of your driveway with plow markers, we will NOT be plowing your driveway ends. These markers get broken and caught in our plows, and takes more time for us to repair. If you need the markers please places them 8ft from the end of your driveway.
