MARCH 2019

NOTE FROM PRESIDENT

Well here it is almost March. That Ground hog sure messed up the weather report. I hope everyone had no issues with the cold or with snow removal. Thanks to all who helped and attended the soup and salad luncheon and the great pancake supper (great bacon, pancakes, sausage and eggs) . Jack and his crew (Shirley, Mel, Don and Marilyn, Frank and Carolyn, Mike, Ray and Elaine, Pam J. and newbie Billie Carter, no relation to Jimmie.) for all their help in prepping, cooking, serving and clean-up. March will be the last soup and salad luncheon for the year. The Pancake breakfast is going back to Saturday in March. Thanks to Lana and Denise for starting the new yoga and the exercise classes, they seem to be well attended and a great way to meet and visit with new people and old friends as well.

MANAGEMENT

Just a reminder to all residents, the clubhouse is available to rent for any events that you have.

The cost of the rental is \$100 due at the time of booking in order to reserve the clubhouse. Another \$100 is due when you pick up the key. This is for the key return, or damages. Please see rules and regulations for other clubhouse rules and the amount deducted for not cleaning.

We have recently updated the projector and surround system in the clubhouse. We are asking that “renters” not use the equipment unless it has been approved by the office. When you come to pick up the key let us know that you may want to use the projector and we will go over the instructions with you.

HOAX PHONE CALLS

We at Cadgewith Farms are very subject to receiving fake phone calls. Recently residents have received these call where the suspects whom have a Middle Eastern Accent, are calling people and telling them that there has be an issue with their computer and that they have detected it at their location.

This call is bogus. It is always a lie. They are asking for your permission to “remote” into your computer. This means that where ever they are located in the world, they will use your web address to “enter” your computer to access all of your personal information. The caller offers to “fix” the problem. **NEVER DO THIS!!!!!!**

There are three (3) things to keep in mind when you are receiving phone calls.

1. Microsoft and other “big” companies will not call your home. They do not have a call center that monitors everyone’s computer for issues.
2. Any pop-ups on your screen with a phone number is garbage. Do not click on them. Just close them.
3. Your “Windows License” will never expire.

In short, never give out personal information to anyone who calls you on the phone. If someone calls and asks to get “remote access” to your computer do not allow them to. If you think you may have a computer problem, you must call a reliable computer technician. Many residents have a computer guy so ask you neighbors and friends.

If you are called with a “scam” call you need to contact the police department and give them as much information that you can. Try writing some of the stuff down so that you can give the police an accurate account of the situation.

SOUP AND SANDWICH

We will be having our last Soup and Sandwich luncheon on Thursday March 14, 2019. We have had a wonderful turn out so far this year and have had many scrumptious dishes shared.

Lunch starts at Noon. Soup is provided by volunteers and we ask that you bring your favorite dish to pass. Attendees usually bring their favorite vegetable, salad, or desserts.

All attendees must bring their own soup bowls and spoons. We are no longer providing them for the luncheon. This will help in the clean up at the end of event.

BIBLE STUDY

The Keyes host bible study at their home every Monday from 10 AM until 11:30 AM. They are located at 222 St. Ives North.

Everyone is welcome to come and join the discussion no matter the religious persuasion.

We have had some really good turnouts. Many new faces to go along with the regulars.

Ray Snyder

BINGO

Bingo will be held on **Tuesday March 5th** and **Tuesday, March 19th** at 2 pm. We furnish papers or hard cards and chips. Please bring your daubers if you play papers. There have been very nice payouts per game and coverall.

We have lots of fun and food. Come and enjoy with your friends and neighbors,

Please remember this is for residents only.

Mike Shaw, Chairman

EUCHRE

Euchre is every 1st and 3rd Friday of each month. In the month of March the days are the 1st and the 18th. The time for the event is 2 pm - 4 pm in the clubhouse.

We have had some awesome turnouts for Euchre the last few months. Everyone seems to be enjoying the earlier sessions. If this time is better for those who attend please let the host know and we can see if there can be a permanent time change.

We welcome all levels of players from “newbies” to “professionals”. It is all for fun. So if you would like to come and play or learn join us at the next game.

MORNING WORKOUTS

Lana Hough has been guiding a “chair” exercise class every Tuesday and Thursday morning starting at 10:30 am.

This class is for all activity levels. There are a couple of videos she guides the group to. She has had a great turn out for the class. Participants do not have to stay for the whole hour, we have people who only do the first video and leave. But, there are a few who like to do both videos for the workout. It is entirely up to you.

Everyone is welcome to come and join the class. This is a great way for everyone to get out and move around while the weather is still cold.

There is no charge and anyone can come to it. If you have any questions please feel free to contact Lana at 517-881-0710.

NOTE FROM NEIGHBORHOOD WATCH

I really appreciate the folks that are walking their dogs with bright yellow vest and flashing lights and/or having a flash light on while walking. Safety is important to those walking and also the people driving. Keep up the excellent jobs to all involved.

It has been pretty quiet in the community recently. We did have one incident recently of a suspicious vehicle. However, when we investigated it turned out to be a father teaching his son how to drive a stick shift car. His grandfather who is a resident of Cadgewith Farms is going to give the car to his grandson if he can learn to drive it.

We now have a new Police Chief for Dewitt Township, his name is Mike Gute. I haven't had a chance to meet him yet but I am looking forward to meeting him soon and getting to work along side him. Just a reminder again, if you see anything suspicious, out of place, anything at all that doesn't look or feel right, **DO NOT HESITATE TO CALL 911**. Let the police take care of the situation.

Mother Nature just will not give up on winter, someone needs to put her back on her meds.

LOL..LOL. Spring will be here soon and with that warmer temps and the perfect time to get started on garage sale items that you no longer want or need. June 1, 2019 will be the date of the Cadgewith Farms Annual Garage Sale. The cost to be in the sale is \$1 per household having a sale. The proceeds are used for advertising in the Lansing State Journal and also the little newspapers around town for the Townships. The fee will also put you the map of the community with sales highlighted on it. Since the maps will be passed out to eager shoppers this will help customers locate all of the sales. It has been decided that Cadgewith Farms will be having a second Garage Sale on Saturday September 7, 2019. This will only be a Saturday event, we will not have the preview sale on Friday night.

Pam Jackson,

EVENING WORKOUTS

Denise Hartman is guiding a workout class every Monday, Wednesday, and Friday evenings starting at 6 pm. Her class is a low impact class that is good for every activity level. The class starts with half and hour of proper stretching which you can do in a chair. The last half of the night is spent walking.

Please do not feel that you will need to "keep up" with everyone else. The class is for those who want to be active. On average study's show that a 65 year old person should be getting at least 2.5 hours of moderate activity each week.

Since this class is new to everyone it will be a learn as you go type of class. Denise is willing to structure the class to meet the needs of the residents who come.

Again, everyone is welcome to come and join the class. Our "instructors" are volunteering their time to help everyone keep active and healthy.

If you have any questions, please contact Denise directly at 517-420-1438.

PANCAKE BREAKFAST

The CF Association will be hosting a All you Can Eat Pancake Breakfast on Saturday March 23, 2019 from 8 - 9:30 AM. The cost at the door is \$4.00 and it includes pancakes, sausage, bacon, eggs, fruit, OJ, and coffee. Everyone is welcome to come. We would love to see some of the new faces in the community to come and join us. Great food, good friends, and lively conversation.
