

October 2017

## Flu Clinic

Neighborhood Watch will be hosting a flu clinic again this year in the Cadgewith Farm Clubhouse on Monday October 2, 2017 from 9 am—1pm. All interested in participating must bring along your insurance card or Medicare card. Light refreshments will be provided.

## Association Elections

Congratulations to all of the new board member for the Association. And to give a heart felt thanks to members that are leaving.

Sandy Vaughn (New) - Secretary  
Don Williams, Norm Kreager, Linda Kleopfer (Treasurer) were re-elected  
Elaine Snyder (outgoing) Secretary

## Super Bowl

Super Bowl 2018 is on Sunday February 4, 2017 this year. There has been some interest in having a “Super Bowl” party in the clubhouse. We installed a new projector this year and this would be a great opportunity for everyone to see how good it works. This will be a bring a dish to pass and if you want a more comfortable chair to watch the game. Contact Mike at 819-7408 if you are interested in attending.

## Water Bills

Please make sure that you are paying close attention to your water usage. If your bill is going up than there may be a problem and you will have to call someone to check it out.

## Cross Connections

During the management dinner handed out a brochure regarding cross connections and also gave out 2 hose bib vacuum breakers. If you were unable to come to the dinner and haven't picked them up, please stop by our office to do so.

## Trees

The guys will be starting trees again this winter. If you have any questions or concerns regarding trees in your yard please contact the office to be put on the list for the guys to review.

## Snow Birds

Just a reminder to the Snow Birds that will be leaving us for the winter. To call and schedule your water shut off at the curb. We would like to have a few days notice. If you are having someone come in to winterize your home, let us know that when you call. Have a great winter.

## Winterizing Homes

We would like to remind everyone especially those who will be leaving to make sure that their water lines are protected. Heat tape helps the pipes from freezing. Making sure that your heat tape is working and plugged in is very important. Winterizing your home if you will be gone is also important. If you are not winterizing than it would be advisable to have your heat on at least 50°.

## See Something, Say Something

The office is still taking calls regarding issues in the park. The first call that everyone should make is to “911” when the incident occurs, not the next day. Once you are assured that the police will be on their way, then you may contact anyone that you feel you should. Please remember that your safety and the safety of your neighbors is the most important thing. Contacting the office will not ensure your safety.

## Cadgewith Farms Association

The new year for the Cadgewith Farms Association will begin on October 1, 2017. It is time to collect everyone's dues for the new year. The dues are \$5.00 per person and need to be paid to Linda Kleopfer. Her phone number is 517-721-1857.

# OCTOBER 2017

## Christmas Dinner

Save the Date. The Christmas Dinner will be held on Thursday December 14, 2017 at 5:30. The meat will be Prime Rib. We will be having Paul Ojebaway as our entertainment. We are looking forward to seeing everyone there.

## Leaves

The guys will be starting leaf collection again, on Tuesday, October 17, 2017. The following dates are currently scheduled weather permitting: Collection days are always on Tuesdays, October 31, November 7, 21, and 28 with the last day on December 5 if needed.

## Winners of Gift Cards

We would like to congratulate all of the winners of the \$25 gift cards to Kroger's for coming to our Annual Dinner and signing for their Cross Connections Valves.
